### From James:

"Welcome back to the new term, as it were. I hope that you have all been able to enjoy some holiday time during August and that you are suitably refreshed in voice and spirit. The work on the chancel is only just beginning (a number of the roofers have been on holiday, I believe) and so the temporary arrangements will need to continue for a few weeks yet. I know that the situation has caused some of you problems for a number of reasons – but the congregation appreciates being able to hear the choir! We will do our best.

"It is a wee while ago now, but thank you all once again for your splendid singing in St Mary Redcliffe in July and huge thanks to Jean and to Andrew for taking charge of the two Sundays I was away in August (and having to deal with complete changes of hymnody!!)."

**St Andrew's Autumn Concert** - Saturday 21st October at 7.30 pm.

This will be an entertainment entitled 'England in Tune' provided by Tim Lewis and Sheila Furneaux.

### Meet Eat and Sing with David Ogden

At Nailsea Methodist Church on Monday 13th November. An RSCM opportunity to sing some Advent music in a relaxed atmosphere. Further details to follow.

*Which modern hymn writer considers these to be the marks  
of a good hymn?*

*"It should be heartfelt, biblical, simple, deep and uncontroversial."*
